ALL DEALERS:

Subject: KF "Continental" Spare Wheel Mount - 1951 Kaiser Models

The use of a "Continental" Spare Wheel Mount on the new 1952 Kaiser models has created a demand for this unit for installation on 1951 Kaiser models.

We are pleased to advise that we have been given the exclusive sales rights by the manufacturer on the Kaiser in addition to the Henry J Spare Wheel Mount which has already been announced. (See P & A Bulletin No. 56-A dated October 12, 1951)

The Kaiser "Continental" Spare Wheel Mount is packaged complete with all attaching parts and illustrated instructions for installation. A metal tire cover - primed ready for painting to match the color of the car - is included in the package.

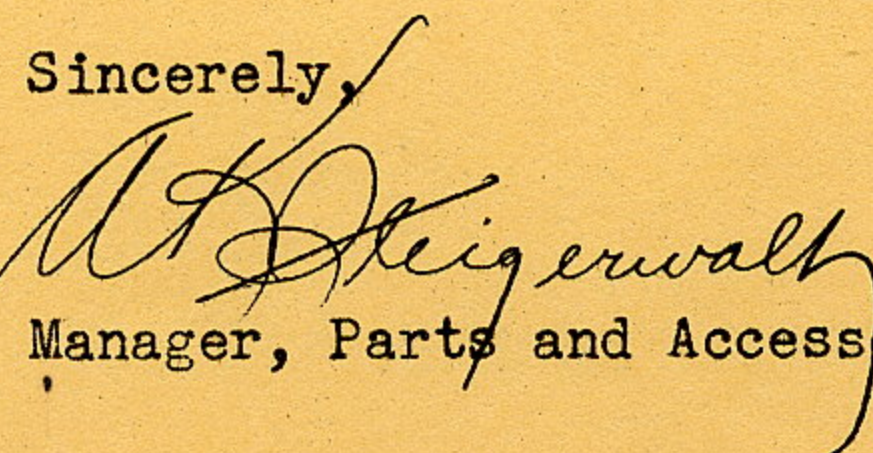

Below we are giving you complete ordering information, together with the suggested list and your net prices. For your convenience, we are also repeating the same information covering the Henry J Spare Wheel Mount:

<u>Part No.</u>	<u>Name</u>	<u>Suggested List Price</u>	<u>Dealer Net Each</u>
100282	Spare Wheel Mount - Henry J	\$84.00	\$60.50

Installation time - including painting - 6 hrs.

We would suggest that you place your orders with your distributor promptly as you undoubtedly have had requests from 1951 Kaiser and Henry J owners for these accessories and we are now in a position to make prompt shipment.

Sincerely,
