Willow Run, Michigan, U. S. A.

PARTS & ACCESSORIES

BULLETIN NO. 18

March 5, 1947

TO ALL DEALERS:
(Except in the State of Texas)

Subject: Kaiser and Frazer Windshield Washer

Rain or melting snow on streets and highways every season of the year, ready to be splashed on the windshield by the car ahead, creates the need for a device to keep windshields clean. This need is efficiently taken care of by installing a KF Windshield Washer now available as an accessory for both the Kaiser and Frazer.

Installation is simple. Mount the water container on the dash underneath the hood. Install jets in the cowl and connect with tubing to the washer motor on which the tubing connection is already provided. Through the medium of engine vacuum, water is sprayed through the jets in the cowl across the windshield and the wiper blades clear away the mud and road splash. To operate, fill water container with clean water. Turn windshield wiper control knob to the left for a few seconds, then to the right to operate wiper blades while water is being sprayed on windshield.

Below we are giving you the necessary information for ordering, together with the suggested list and net prices.

<u>Part No.</u>	<u>Name</u>	<u>Suggested List Price</u>	<u>Dealer Net Each</u>	<u>Dealer 6 or More</u>
200013	Windshield Washer	\$6.25	\$3.75	\$3.40

All Prices are F.O.B. Shipping Point and include Federal Excise Tax
PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE

Quantity lot prices are offered you to permit you to profitably carry ample stocks of Windshield Washers to take care of your owners and new car purchasers, and to increase your profit per unit. Washers are shipped in cartons containing six (6) individually packaged units. Ordering in lots of six (6) or even multiples thereof will speed up the handling of your order making it unnecessary to break open a shipping carton for a single Washer to fill your order.

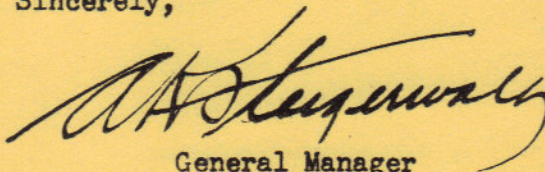

Distribution of Windshield Washers will be handled through your distributor. We would, therefore, suggest you immediately send an order to your distributor for your requirements of this essential and profitable item.

To All Dealers:
(Except in the State of Texas)

BULLETIN #18

The simplicity of operation, the year 'round utility and safety factor of this accessory should appeal to all owners and new car purchasers, and should enable you to enjoy a profitable volume business selling this item.

Sincerely,

A. K. Steigerwalt
