PARTS & ACCESSORIES

BULLETIN NO. 36

July 10, 1947

TO ALL DEALERS:
(Except in the State of Texas)

Subject: Parts Price List and Confidential Net Parts Price List - Kaiser Model K-100 and Frazer Models F-47 and F-47C.

Enclosed herewith please find one copy each of the Parts Price List and the Confidential Net Parts Price List covering replacement parts for the Kaiser Model K-100 and the Frazer Models F-47 and F-47C.

The Parts Price List contains the suggested selling prices to be used in selling replacement parts at retail. The Confidential Net Parts Price List contains the net prices at which these parts are invoiced to you by us and by your distributor and is supplied to enable you to audit invoices covering your parts purchases and for costing your parts sales.

These new Price Lists contain the prices which became effective May 15, 1947, and we would suggest that all copies of previous Price Lists in your possession be destroyed, and the enclosed Price Lists be put into use at once.

Any additional copies of these Price Lists which you may require for use within your own organization will be gladly furnished upon request.

Sincerely,

Manager
