ALL DEALERS:

Subject: Door Arm Rests - Henry J Models 513 and 514

Inasmuch as the Henry J models are not factory equipped with Door Arm Rests, provision has been made to supply these items as an accessory. The door shell has the necessary brackets installed for attaching Arm Rests so the installation will present no problem.

Door Arm Rest Packages contain two Arm Rests and the parts required to make the installation. They are trimmed to match the color of the interior trim in both the Models 513 and 514.
