BULLETIN NO. 45-A

February 23, 1951

ALL DEALERS:

Subject: Rear Quarter Window Ventilators - Henry J - Part No. 100220

In anticipation of a demand for more ventilation in the Henry J, our Engineering Department has designed movable Rear Quarter Window Ventilators for that model.

As warm weather approaches, many of your Henry J owners will undoubtedly be interested in this extra comfort feature, and we have prepared an accessory package including all necessary parts to make such an installation in both rear quarter windows.

To familiarize you with the work required to install this equipment, we are enclosing a copy of the installation instruction sheet which will be included with each package.

Below we are giving you complete ordering information, together with suggested list and net prices:

<u>Part No.</u>	<u>Name</u>	<u>Suggested List Price</u>	<u>Dealer Net Each</u>
100220	Rear Quarter Window Ventilator Pkg.	\$17.95	\$12.25

PRICES INCLUDE FEDERAL EXCISE TAX AND ARE SUBJECT TO CHANGE WITHOUT NOTICE

From test installations made at the factory, a time allowance of 1½ hours will be adequate. We suggest you quote an installed list price of \$25.45, which includes \$7.50 for labor.

Place your order with your distributor for your requirements of these Rear Quarter Window Ventilators. Please, do not send your order to us.

Sincerely,

Manager, Parts and Accessories Division
