Subject: KF Polish and Cleaner - KF White Sidewall Tire Cleaner

KF Polish and Cleaner. This item, which is included in our line of Protective Materials in pint cans for sale to owners, has been found to be so satisfactory by dealers in preparing new cars for delivery and renewing the finish of used cars, that we have been requested to make this Polish and Cleaner available in gallons.

While we will continue to furnish the same high-grade product in pint cans (Part No. 200036) for sale to owners, we are now in a position to supply this Polish and Cleaner in gallon cans for use in your own shop and for sale to the independent repair trade. You will save considerable money by purchasing Polish and Cleaner for your own use in gallon cans.

KF White Sidewall Cleaner. With the return of white sidewall tires, an efficient cleaner is once more in demand, and we are pleased to announce the addition of this item to our line of Protective Materials.

KF White Sidewall Cleaner quickly and easily removes dirt, grease and stains from white sidewalls and will not harm or discolor the tire. It is packaged in pints for your retail trade and in gallons for your own use.

Below we are giving you complete ordering information on these items, together with the suggested list and net prices:
