PARTS & ACCESSORIES

BULLETIN NO. 92

October 15, 1948

ALL DEALERS:
(Except in the State of Texas)

Subject: Rear View Mirror - Outside - Part No. 200022

A change is being made in the Rear View Mirror (Outside) to make it interchangeable for right and left hand installation.

This new mirror, Part No. 200022, has an adjustable base, easily reversed for right or left hand mounting, and is of the same high quality as the two mirrors which it replaces, and when mounted is identical in appearance.

Outside Rear View Mirror, Right, Part No. 200010, and Left, Part No. 200011, are being discontinued and will, of course, be replaced by right or left hand Rear View Mirror, Part No. 200022.

Below we are giving you the necessary ordering information, together with the suggested list and net prices:

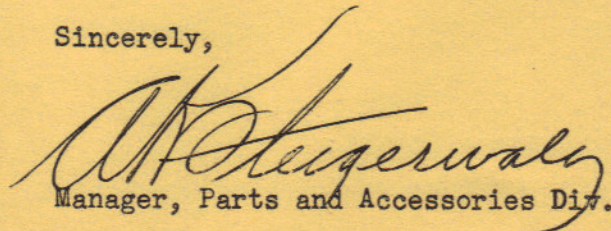

<u>Part No.</u>	<u>Name</u>	<u>Suggested List Price</u>	<u>Dealer Net Each</u>	<u>Dealer 12 or more</u>
200022	Rear View Mirror (Outside)	\$2.75	\$1.95	\$1.70

All Prices are F.O.B. Shipping Point and Include Federal Excise Tax.
PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE

The introduction of this interchangeable mirror will assist in reducing inventories, and you can adjust any out-of-balance condition in your stock by substituting Part No. 200022 for either right or left hand until any stock you may have on hand of the former mirrors is exhausted. All orders received by your distributor for Part Nos. 200010 and 200011 will be filled with Part No. 200022 when your distributor's stock of the former mirrors is exhausted.

We would suggest that you check your stock of these mirrors and place your order with your distributor for your additional requirements.

Sincerely,

Manager, Parts and Accessories Div.
