PARTS & ACCESSORIES

BULLETIN NO. 97

December 16, 1948

ALL DEALERS:  
(Except in the State of Texas)

Subject: KF "Do-Nut" Wheel Discs, Part No. 100114

At the beginning of 1949 car production, the Stainless Steel Wheel Trim Rings, Part No. 200027, were discontinued on new cars as optional equipment and the new "Do-Nut" Wheel Disc offered instead.

Inasmuch as the manufacturer is no longer producing the Stainless Steel Wheel Trim Rings, Part No. 200027, we are removing this item from our accessory list although individual trim rings as a replacement part can still be supplied for replacement purposes.

Effective immediately, we can furnish the new "Do-Nut" Wheel Disc as used in production on the Kaiser DeLuxe models. These will be packaged in sets of five (5) discs and can be installed on all 1949 Kaiser Standard models as well as previous year Kaiser and Frazer models. The new "Do-Nut" Disc offers more flash and "dress-up" to the wheels and we believe will be very acceptable to owners.

Below we are giving you the necessary information for ordering, together with the suggested list and net prices:

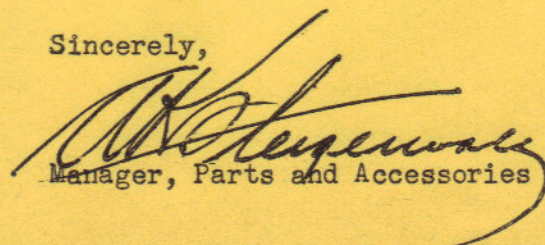

<u>Part No.</u>	<u>Name</u>	<u>Suggested List Price</u>	<u>Dealer Net Each</u>	<u>Dealer 6 or more</u>
100114	"Do-Nut" Wheel Disc	\$15.00	\$10.50	\$9.50

Prices are F.O.B. Shipping Point and Include Federal Excise Tax.  
PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE

KF "Do-Nut" Discs are boxed in individual sets of five (5), and six (6) sets are packed in a shipping carton for ease and speed in filling orders and shipping. Your quantity lot price is based on your distributor's ability to fill orders with standard shipping cartons, and we would suggest that you place your orders for this accessory with your distributor in even multiples of six (6) sets.

Your distributor should be in a position to supply you with your requirements of "Do-Nut" Wheel Discs, and we would suggest that you send an order to your distributor for your requirements. DO NOT SEND THE ORDER TO US, SEND IT TO YOUR DISTRIBUTOR, PLEASE.

Sincerely,

  
Manager, Parts and Accessories Div.
